

Rent2buy**carz**

Why include maintenance?

Your regular payment already includes road tax but for complete peace of mind and for just an extra £20.00 per week you can get complete peace of mind.

We can include this in your regular payment and you can add this to your account at any time during the agreement.

What's included?

The maintenance package lasts the length of your agreement. We cover regular servicing, repairs (not accident damage), MOTs and tyres.

- Servicing – check-up costs, along with anything that needs repairing or replacing, including exhausts, tyres, brakes and wipers, for example.
- MOT – all cars more than three years old need to be tested once a year. A maintenance package covers the cost of having an MOT every year.
- Oil – checks and top-ups as and when they're needed.

What are the benefits?

- Removes risk – No unexpected maintenance bills from the garage
- Hassle free - Call the Rent2buycarz.com customer service team and we'll handle all interactions with the garage for you.
- Peace of mind - Use of our controlled, accredited supplier network
- Convenience - Mobile tyre replacement and service vehicle collection and delivery if booked in advance.

Servicing, MOT and Repairs

All vehicles are serviced in line with the manufacturers recommended servicing intervals at our preferred supplier network. If you book a service in advance we'll

arrange collection and delivery of your vehicle. Likewise, any repairs required are also carried out through our quality controlled supplier network.

Tyres

Premium brand tyres are fitted by our approved suppliers. We replace all tyres with a tread depth of 2mm or less across the central 3 quarters of the tread band (the legal minimum is 1.6mm). To make life a little easier, we can also offer a mobile tyre replacement at your home or office.

Windscreens - Not included

Windscreens or other window glass are not included in our maintenance package but we can arrange replacement on a recharge basis. This enables you to take advantage of the generous discount structure in place with our preferred suppliers.
